vsHome Overview - Job Settings

Job Settings

The Job Settings is located at the top of the tool bar and can only be accessed once you have opened a contract. The Job Settings contain all the setting which you may need to change for that specific contract.

The Job Settings will allows you to set specific settings for one contract that differ to the default settings in the preferences.

The screenshot shows the 'Job Settings > Your company' dialog box. On the left is a tree view with the following items: Your company (selected), Cost datas, Reports, Debug Console, PasswordStore, Conservatories, Solid Roofs, Orangeries, Garden Buildings, Pergolas, and 3D Viewport. The main area is titled 'Your settings' and contains a 'Your company logo' field with a red 'X' placeholder. Below this are input fields for: Your name (Mr Smith), Your company name (PST Ltd), Your address line 1 (The Manor House), Your address line 2 (260 Ecclesall Road), Your address line 3 (Sheffield), Your address line 4 (S11 9PS), Your telephone number (0114 221 7070), Your fax number, Your e-mail address (info@pstonline.co.uk), and Your web address (www.pstonline.co.uk). At the bottom is an 'AR defaults' section with a 'Country code' dropdown set to '44 : UK'. A 'Close' button is at the bottom center.

Your Company

Supply details for your company if they need to be different from your default company details, which can be set up in the preferences.

Cost Datas

Allows you to set the VAT rates for the current project.

Reports

Adjust the PDF and report settings such as displayed text, margins, font height, font size, etc.
